Coffee production

1379. SHRI JAGADISH JANI: Will the Minister of COMMERCE be pleased to state:

(a) what steps Government have taken to increase the production of coffee during the last three years;

(b) the total quantum of coffee produced during the last three years; and

(c) the target set for the production of coffee during these years?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE (SHRI P. R. DAS MUNSHI): (a) to (c) The Coffee Board has been implementing a number of schemes like Research programmes, Extension and Advisory Services, Coffee Demonstration Farms, Training programmes, Production and supply of quality seeds and disease resistent materil for all coffee growers, and loan and subsidy assistance for development of the coffee industry. Differential rate of interest for the weaker sections has also recently been introduced. Besides coffee cultivation has also been introduced in non-traditional areas.

The target set for the production and the actual achievement during the last three years has been as under:—

(Qty. in Tonnes)

Year	Target	Actual production
1985-86	146,000	121.916
1986-87	154.000	192.174(P)
1987-88	162.000	120 000(E)

(P) : Provisional.

(E) : Estimated.
